

# J O Hambro Capital Management Limited removed from SEI Canada International Equity Fund.

Effective April 13, 2023, the J O Hambro Capital Management Limited International Select strategy (“the J O Hambro strategy”) was removed from the SEI Canada International Equity Fund (“the Fund”).

## Rationale

We removed the J O Hambro strategy due to style drift, which resulted in an inconsistent exposure to the momentum alpha source (a trend-following investment strategy that is based on acquiring assets with recent improvement in their price, earnings or other relevant fundamentals). The strategy’s assets will be reallocated among the Fund’s existing sub-advisors. This manager change is expected to result in a more consistent exposure to the momentum alpha source.
